

Good Samaritan Services
Restoring hope. Transforming lives.

ANNUAL REPORT 2024

JULY 1, 2023 - JUNE 30, 2024

A Year of Remarkable Growth and Impact

Dear Friends of Good Sam,

I am thrilled to share the highlights and growth of our organization over the past fiscal year. Our mission to compassionately respond to those experiencing homelessness and poverty has driven us to new heights, and it is with immense gratitude that I reflect on our collective achievements.

Record Number of Individuals Served

In the last year, we reached an all-time record in the number of individuals served at Good Sam. Our dedicated team provided essential support to 852 men, women, and children—an impressive increase from the 644 individuals we served the previous year. This significant growth not only highlights our commitment to responding to the needs of our communities across Lancaster and Chester Counties but also underscores the escalating demand for our services.

Substantial Increase in Rental Assistance

Preventing homelessness remains a cornerstone of our program. Over the past year, we provided \$203,060 in rental assistance, marking a substantial 28% increase from the previous year. This financial support has been crucial in helping many families avoid eviction and maintain stable housing. The positive impact of this assistance on the lives of those we serve cannot be overstated.

Comprehensive Support and Counseling

Our comprehensive program is designed to help individuals transition from crisis to stability successfully. Over the past year, we offered 405 free counseling sessions to 98 program participants. These sessions have played a vital role in significantly reducing symptoms of anxiety and depression among those we serve. Each participant in our program also received an average of 30 case management meetings with a dedicated Resource Coordinator. This relational approach to case management is a cornerstone of our strategy, enabling us to provide personalized support tailored to each individual's unique needs.

Achieving Stability Benchmarks

Our commitment to fostering long-term stability for our participants is reflected in the 3,240 stability benchmarks achieved over the past year. These benchmarks include obtaining identification, securing employment, and establishing budgets—critical steps that empower individuals to build stable, self-sufficient lives.

Looking Ahead

As we reflect on these accomplishments, we are reminded that our work is far from finished. The challenges faced by those experiencing homelessness and poverty are complex and ongoing. However, the progress we have made in the past year fuels our determination to continue expanding our reach and deepening our impact.

Our growth and success would not be possible without the unwavering support of our donors, volunteers, and community partners. Together, we are making a profound difference in the lives of those who need it most. Thank you for standing with us as we continue this vital work.

In gratitude and service,

Nate Hoffer

CEO, GOOD SAMARITAN SERVICES

Good Samaritan Services' Strategic Plan for Expanding Support and Stability

This year at Good Samaritan Services, one of the main goals of our Board and Leadership team was to develop a new Strategic Plan that aligns with our Mission and Vision. Together, we looked at the major accomplishments and growth of Good Sam as an organization, along with the growing needs of our community.

Good Sam is an amazing program that uniquely supports people experiencing homelessness and poverty through all the challenges they face. For those who end up on the streets or living in their cars, our Short-term Housing step provides immediate shelter in one of our homes. For those at risk of eviction or struggling with rent, our Supportive Housing step intervenes to advocate against eviction and may offer financial help.

Recognizing the rising needs in our communities, we decided to expand and enhance our Program. Our goal is to consistently offer our comprehensive services to all demographics across all locations. Right now, our capacity is limited, like our newest location in Kennett Square, which only provides Emergency & Transitional Housing for single men. Good Sam is determined to extend our reach and impact!

Our Program is designed to support individuals throughout their journey from crisis to stability and beyond. Starting with Emergency Housing, we create achievable weekly goals to guide our participants. As they progress, they move to Transitional Housing, where we continue to provide resources and advocacy. If more time is needed, Affordable Housing is available, offering ongoing support towards finding permanent housing. Finally, in Supportive Housing, we assist with maintaining stability through goal setting and financial assistance. Beyond housing, Good Sam helps participants with employment, transportation, childcare, budgeting, saving, debt repayment, recovery, and more. Our program combines services that usually require individuals to visit multiple social service agencies, offering them through a single, consistent Resource Coordinator.

Good Samaritan Services equips our participants with a comprehensive toolkit to rebuild their lives from crisis to stability, ensuring they are prepared to overcome future challenges. Our work is crucial and impactful, which is why we must continue to grow and enhance our efforts.

At Good Sam, we understand you cannot build a house with only a hammer. This is why we believe in the importance of equipping our participants with a comprehensive toolkit to rebuild their lives from crisis to stability, ensuring they are prepared with all necessary tools to overcome future challenges. Our work is crucial and impactful, which is why we must continue to grow and enhance our efforts.

Hannah Miller

CHIEF PROGRAM & IMPACT OFFICER

At Good Sam, we're always evolving to meet the needs of our community. Over the past year, we saw more single fathers experiencing homelessness with few resources available to them. In response, we dedicated one of our properties specifically to support single dads and their children.

That's when Ramon came to us. **He and his daughter, Ariel, were facing homelessness, and he feared they'd be separated.** Good Sam's short-term housing kept them together and gave them a safe place to start rebuilding.

As Ramon worked toward independence, **he struggled to find employment that allowed him flexibility he needed to care for Ariel.** Then, an opportunity came through a longtime partner, Hopewell United Methodist Church in Downingtown. They had a job opening with onsite housing and reached out to see if someone in our program might be a good fit.

It was exactly what Ramon had been hoping for.

After interviewing, he got the job. He and Ariel moved into their new home—together, safe, and thriving. Today, Ariel loves playing in the woods behind their house, and Ramon feels hopeful about the future.

This is what happens when a community comes together. One step, one story, one family at a time.

“I was really happy to have the opportunity to not be separated from my daughter.”

As a CPA for 40 years, I often worked with clients on their estate plan. For many people, this was an extremely difficult and emotional process and they often put off completing their plan.

Personally, I knew the importance of putting a viable plan together so that my family was protected should I die early. Karen and I revised our initial plan when our sons were in college and almost, but not quite, out of the nest. At that time, it was easy to decide that we would split our estate equally between them.

As the years went by and our sons and their spouses became financially secure, **we began thinking that we could do so much more with our assets than just leave 100% to our sons.** The needs and potential concerns that existed when they were in college were no longer present. We began to think that we could help others less fortunate and support organizations addressing our environmental concerns. We established a Donor Designated Fund and began building a balance we could use to help our favorite charities complete their important work. The beauty of the **Donor Designated Fund** was that we received a current charitable deduction for the fair market value of the securities we donated, thereby reducing our estate, while also escaping the tax on the gain. And we could propose grants from the fund in later years.

Since that time, we have made sizeable grants to our favorite charities with **Good Samaritan Services being our largest recipient.** Our plan is to have a large portion of my retirement account go into the donor designated fund upon the later of my or my wife's death at which time our executor will terminate the fund and make distributions to the charities we have designated. Because of the wonderful work that Good Sam does in transforming the lives of people and helping them reach independence, the largest portion will be distributed to it.

We feel good about our plan knowing that **in addition to leaving assets to our sons, we will also be supporting the charities that are important to us.**

Tim Michel
BOARD TREASURER,
GOOD SAMARITAN SERVICES

Daiana, a single mother of three, had rented the same apartment for four years when **her landlord began raising the rent beyond what she could afford.** Though she was working, it became impossible to keep up.

On paper, Daiana appeared financially stable. In reality, she was barely scraping by. **"I made too much to receive certain benefits, and not enough to fully make ends meet,"** she shared. As rent, daycare, and insurance piled up, an eviction notice followed.

Keeping a brave face for her kids while facing homelessness became overwhelming. "I was saying, 'We're fine!' but in the back of my head, I'm thinking, we're going to be sleeping in the car if I can't find anywhere to go."

That's when Daiana connected with Good Sam. We helped her secure a new home with rent she could afford and provided ongoing support so she could stabilize her finances.

Through the relationships and care at Good Sam Daiana found space to open up and heal. Now, she's working full-time and also reviving her own catering business.

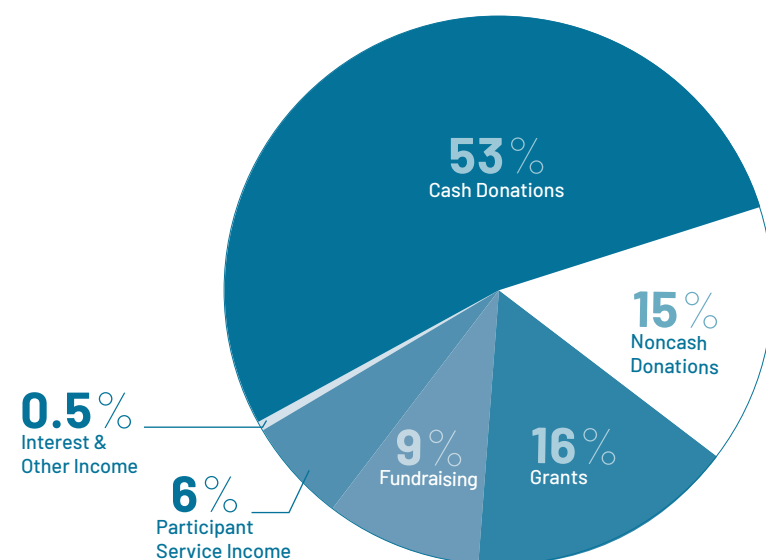

"I appreciate that there are still kind people in the world that are able to look beyond themselves and say, 'There's a community out here that needs help.' It's not taken lightly or for granted. I'm eternally grateful for that support."

INCOME & EXPENSES

Income: **\$2,935,248**

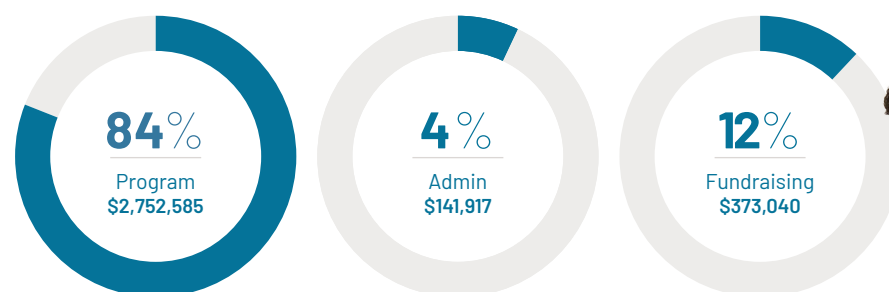

Cash Donations \$1,569,128	Fundraising \$260,106

WHO WE ARE
Mission & Vision

Good Samaritan Services compassionately responds to homelessness and poverty through a unique and personalized approach to empower our neighbors to move from housing crisis to stability. We engage the community to support these efforts. Serving over 800 men, women and children annually across Lancaster and Chester Counties, our vision is to see and serve all those who may be overlooked as we are called in the Parable of the Good Samaritan.

OUR PROGRAM

Our unique program allows us the flexibility to meet people at any stage of a housing crisis, work with them on a personalized success plan, and support them through their journey to stability.

Good Samaritan Services

Restoring hope. Transforming lives.
